

## SB, Rotor/Stator, TS 60, 2018-09

### SYMPTOM/DESCRIPTION

There is a new supplier of rotor and stator for TS 60 and the old parts are not supplied any more.

### AFFECTED UNITS

TS60 230V EU from serial number: 20182500001

TS60 230V AUD from serial number: 20182500002

### PARTS INFORMATION

Part	Old article number	New article number
Rotor Assy	523023602	589409201
Stator Assy	523023702	589409101
Motor Kit		596625601

For replacement of rotor or stator with old article numbers you need to order a MOTOR KIT which includes:

- new rotor
- new stator
- new carbon brush holder

**Note:** It is not possible to combine old parts with new parts.

Old parts can be used up on older machines.

### WARRANTY INFORMATION

The normal warranty policy applies.
